LED Touch Control & LCD Display

A gentle tap is all it takes to access all the convenient functions on your oven - the electronic timer, the minute-minder and the clock. LCD display is easy to read and also informs you about the cooking time left and the temperature.

Pre-set Auto Cooking

The pre-set auto-cook feature makes cooking a breeze and also gives food weight and temperature settings to ensure perfect results. You can also set it to suit your own preferences and create your own programs.

Sealed Doors

The oven doors are well sealed and cool to the touch; they have perfectly fitted door hinges and a double layer of full-width glass to keep the heat inside.

There is a Glen oven for every kitchen and to suit every lifestyle, and each one scores high on performance and looks

Each Glen Built-in oven is a state-of-the-art piece: innovative touch control technology, precise functioning and a contemporary, minimalistic design that makes every kitchen bold stylish. Glen ovens can be depended upon to give you perfect results, whether you're an expert or a novice. It is enjoyment guaranteed, while you cook, and after.
